

Reference

Dear sir, madam,

We herewith confirm that Marcos Hidalgo Jiménez, born april 1st 1986, has worked a trainee at Vilniaus Architektūros Studija from march 24th 2014 to june 27th 2014.

During his traineeship, Marcos has worked on projects in different stages of design development. For instance he has worked on the execution phase and interior design of a spa in Baden Baden, Germany and he has collaborated in our design teams for several architectural competitions. Also he has worked as responsible for the graphic design in the architectural guide "Nematyta VAS Architektura".

We feel his prior education and work experience here and in Spain has allowed him to develop skills that make him a very useful co-worker at any architectural office.

As a designer Marcos is hard worker, talented and creative. Furthermore he is very ambitious to learn. He has an easy-going nature and a contagious positive attitude towards any challenge at hand.

We would highly recommend him and wish him all the best in his future career or further studies. Please feel free to contact us directly for any further informations.

Vilnius, June 27th, 2014
